

PROTECO PTY LTD

Aro-Mas Oil

(Massage base oil)

Aro-Mas, a lightly refined and deodorized oil blend, which has been developed by Proteco specifically for the aromatherapy and massage market. The super-fine blend of high profile oil is a balanced combination of Apricot, Macadamia and Sunflower oils.

Aro-Mas is an excellent choice for massage preparations as natural cold pressed oils remain on the skin and their presence results in several important physical effects: Emolliency, Occlusivity and Lubricity.

Specification Details	
Additives	Nil
Appearance	Clear
Colour	Very pale Golden Yellow
FFA	2.0% Max
Flavour/Taste	Slightly nutty
Iodine Value (Wijs or Hanus)	70 - 90
Moisture %	- -
Odour	Mild
Peroxide Value (meq/kg)	<5.0
Refractive Index at 40 C	1.460 - 1.479
Saponification Value	190 - 200
Specific Gravity at 25 C	0.910 - 0.996

Fatty Acid Profile			
C16 Palmitic	6.3%	Total Saturated Acids	11%
C16:1 Palmitoleic	7.7%	Total Monounsaturated Acids	71%
C18 Stearic	2.1%	Total Polyunsaturated Acids	18%
C18:1 Oleic	62%	C14:0 Myristic	0.3%
C18:2 Linoleic	17.8%	C20:1w9 Gondoic Acid	1.4%
C20 Arachidonic	1.3%	C22:0 Behenic Acid	0.4%
